MEMORANDUM FOR DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT : Proposed Amendments to DCIDs

REFERENCE: USIB-D-5.1/1, dated 7 September 1962

1. This memorandum recommends the position that the CIA member should take with regard to the proposed amendments to the DCIDs.

25X1 2. DD/I, DD/R, and DD/P concur in the proposed changes in DCIDs as set forth in [redacted] memorandum for the USIB with one minor technical exception. This minor exception would delete the requirement for mandatory membership for the Joint Staff in the Economic Intelligence Committee (DCID 3/1). The Joint Staff has not been active in EIC affairs for some time and we see no reason to change this situation. We have also been informed that the Joint Staff concurs in this deletion.

3. We strongly support the language of the proposed charter for the Critical Collection Problems Committee (DCID 2/2). We would like to consider carefully and might well object to any change in wording that might be proposed by other members of the USIB.

4. It is recommended that you propose the deletion of the words "and of the Joint Staff (JCS)" from the proposed revision of DCID 3/1 and that you concur in all other proposals contained in General Balmer's memorandum.

REFERENCES : (a) USIB-D-27.1/18, 31 May 1962
(b) USIB-M-225, 18 July 1962, item 8

1. The attached memorandum (Tab A), prepared by the Coordination Staff in response to Reference (b), above, proposes revisions of pertinent DCIDs to reflect USIB action on reference (a). The dashes and underlining therein indicate, respectively, the deletions and additions proposed to be made in the text of certain directives.
